2023 edition

**Azim Denim**  
sustainable wash solution

## OUR DENIM

Designed to be worn with confidence without compromising comfort, made to be fashionable without negatively impacting our planet; our newest denim collection is Made to be Better in every way. Beyond the classic blue jean, we have refreshed our selection with bright new hues that serve as the focal point of any outfit. Striking details and embellishments as well as impeccable cuts result in jeans that will slot into your everyday life as the ultimate luxury wardrobe staples ultimate luxury wardrobe staples.

# Azim Denim

sustainable wash solution

As we shift towards eco-conscious, more sustainable fibers, we introduce denim fabrications that make up for 75% of the collection's styles:

Azim Denim uses a state-of-the-art polyester fabric made of recycled plastic bottles and certified organic cotton blends. This more eco-friendly approach to denim significantly reduces environmental impacts
